

VT EMS District 9 Course Scholarship Guideline

Purpose: The purpose of this guideline is to establish a method for providing scholarships to students in D9 courses utilizing the grant money received through VT EMS.

SOG 2.1- Students must be enrolled in a D9 course in order to be eligible to apply for a course scholarship.

SOG 2.2 – Only one scholarship per course shall be approved in order to provide more opportunities to students in the future.

SOG 2.3 – Students are requested to write a 1-page statement as to why they wish to gain certification/licensure and how the certification will be of benefit to their town/service. Statements should be submitted to the course IC and sent electronically to the D9 President. The IC should also include a statement as to why the student is deserving of the D9 scholarship.

SOG 2.4 – Scholarship is limited to up to 50% of the cost of the course.

SOG 2.5 – Scholarship will be approved or denied by the D9 executive board.
